

# Introducing...the Band Builders "Note"ice Program

Band Builders is pleased to offer a new program to promote the band throughout the community and have a little fun while we're at it. For \$25, band builders will place musical notes in the front lawn of your choice. The kids will know the program is underway, but won't know if or when they might be "note"iced. You pick the date, and notes will magically appear on the lawn that day. **Cost is \$25, with \$10 trip credit.**

This is a great way to share the spirit of the marching band with the community, and draw awareness to the many fundraising programs under way in advance of the trip to Disney World. If you wish to "Note"ice someone, please complete the form below and send your check to:
