

# **You are invited to join Mt. Lebanon Band Builders 2011-2012**

Please help us achieve our goal of 100% membership. Your membership helps to support the band's operational expenses, production and distribution of the newsletter, awards banquet and senior plaques, band camp expenses, etc. Not only does your child benefit directly from your membership, but it also gives you the opportunity to meet and work with other parents during the year on various fundraising activities and chaperoning.

You must be a member of Band Builders to chaperone and be included in the directory. Please complete this registration form, and remember to sign where indicated to be included in the Blue Devil Band Directory.

Remember, only members are included in and receive a copy of the directory!

## **4 Year Membership**

\$36 for one parent/guardian
