

MT. LEBANON WINTER GUARD

Mt. Lebanon High School ♦ 155 Cochran Road ♦ Pittsburgh, PA 15228

Greetings:

The Mt. Lebanon High School and Middle School Winter Guards are pleased to announce that we will be hosting the Three Rivers Winter Ensemble Association (TRWEA) Competition, Saturday, January 21, 2012. This competition showcases the outstanding talents of students from the Pittsburgh Area competing in Guard and Percussion events.

This will be Mt. Lebanon Winter Guard's fourth year involved in TRWEA, and our third year hosting this event. Last year we started a Middle School program that had a very successful season. The High School placed second out of eight groups in the Championships last season. We believe that Mt. Lebanon's Winter Guard Team is talented enough to participate in national competitions. In April 2012, they will compete in the Winter Guard International World Championships in Dayton, Ohio. To achieve this goal, we need your support!

Hosting and competing in this event may lead to national exposure for Mt. Lebanon School District and our community. We are requesting your support in our efforts to capitalize on our involvement in this prestigious event.

For a modest donation, your business will be advertised in our program showing your support for the Mt. Lebanon Winter Guard as well as our community. Being that the Three Rivers Winter Ensemble Association (TRWEA) Competition is not merely a local competition, your business will be showcased to surrounding communities such as, Trinity, Norwin, Penn Trafford, Thomas Jefferson, Greater Latrobe and Deer Lakes, to name a few.

This is a great opportunity to advertise your business in the New Year while giving support for Mt. Lebanon's Winter Guard.

The students thank you for your consideration.

Sincerely,

MaryPat DiPippa * Kathy Thompson
