

## Gift Card Sales – New Procedure as of June 27, 2021

Gift card sales are offered to help you pay for your student's band expenses. Student credits earned are saved in an account for students to pay for fees, lessons, trips, etc. View your student credit balance on Charms.

**Due to recent changes by our grocery vendors, gift card sales will need to be paid for by MLBB families on the date gift cards are ordered. Gift cards will not be distributed when you place your order. Your checks will be deposited by MLBB at the time the order is submitted to the vendor. Gift cards will be distributed once the vendors send the cards to MLBB.**

- Place your gift card order by contacting the chairperson to arrange delivery of your check for the amount of gift cards to be purchased.
